

Community Giving Request Form

Stadler Nurseries is committed to our community. We offer grants to schools for planting projects through our Grants for Gardens program. In addition, schools and churches are always offered a 20% discount on the purchase of plants. We are also happy to provide gift cards to be used for community auctions or fundraisers. At this time, we do not offer individual sponsorships or cash donations. Eagle Scouts may request a 20% discount to be used towards the purchase of plants for their projects. If you are interested in receiving a donation or would like to request a discount, please complete the following form and submit it with any corresponding organization materials to the address below. We will respond within one week of the date of your request.

Date of Request: _____ Event Date: _____
